This is not the place for a plastic refinery. The clean air area of the southern highlands , near schools, day care facilities, sports grounds & the community. To be told to limit your time outside is NOT an OPTION. The fact that you feel the need to reject the locals opinions on this matter when YOU DONT LIVE HERE is incredible. Why don't we move the refinery to Double Bay, Bondi, Coogee, Maroubra, Paddington, Woonona, Surry Hills, or The Shire, lots of National Forest around there you could use that area, that way if you are so happy to have this refinery, you can have it in your backyard, NOT MINE.
