Organisation: N/A	Key issues:
Location: New South Wales 2577	
Attachment: N/A	

Submission date: 11/23/2024 9:41:07 AM

I object to this submission based on degradation and negative impact to:

- Air quality
- Water quality
- Wildlife and flora
- Communities health (particularly asthma that I and others already suffer from)

Increased traffic and noise and generally busier activities in this neighborhood will further degrade the infrastructure which is overstretched as a result of unnecessary development over the recent 5 years or so.
