*The planning site is too close to the populated residential areas because the facility will cause pollution of the surrounding areas. From the proposal site to a childcare facility 1 minute drive , 5 minutes drive to Moss Vale town centre, 3 minutes drive to a St Paul primary, 4 minutes drive to St Paul college, 5 minutes drive to Moss Vale primary, 5 minutes drive to KU Moss Vale children centre, 6 minutes drive to another two childcare facilities. I agree we need to have the plastic recycling facility but Moss Vale is not the right site. Because Moss Vale is close to other populated suburbs in Southern Highlands. It will impact all the residents and economics in Southern Highlands.*
