Organisation: N/A	Key issues: <i>Social impacts, Visual impacts, design and landscaping, Land use compatibility (surrounding land uses), Traffic, Other issues</i>
Location: <i>New South Wales 2576</i>	
Attachment: N/A	

Submission date: 11/25/2024 12:31:11 PM

*The proposed Plastrefine development site is totally unsuitable in the designated Southern Highlands location. I have serious concerns for the natural environment and the health and wellbeing of Southern Highlands residents as well as the far reaching effect on surrounding waterways and the Sydney water catchment, should mismanagement occur, which is highly likely without adequate and constant vigilance.*

*Please designate this proposed facility to an already established industrial area that is wanting this in their area.*

*Thank you for considering my concerns.*
