Organisation: N/A	Key issues: <i>Social impacts, Visual impacts, design and landscaping, Land use compatibility (surrounding land uses), Traffic, Other issues</i>
Location: <i>New South Wales 1350</i>	
Attachment: N/A	

Submission date: 11/25/2024 12:52:37 PM

*I totally object to this proposed eyesore of a development. Its impact on the environment and the community will be disastrous.*

*Operating 24 hours per day and so near to homes and schools, I have grave concerns regarding air quality, protecting our waterways (and our native platypus) and traffic through the neighbourhood. The location is wrong.*

*This beautiful and historical community should not be spoilt by a massive recycling reprocessing factory.*
