Location: Redacted	
Attachment: N/A	

Submission date: 11/25/2024 4:18:18 PM

I strongly object to the proposed development.

I value;

- Clean air*
- Clean water*
- The diversity and growth of our natural environment*
- A safe neighbourhood*

This project threatens all of this.

It is not the right site.

Plastic recycling facilities are classed as heavy industry and should not be allowed so close to town, schools and homes.
