Location: New South Wales 2576	
Attachment: N/A	

Submission date: 11/25/2024 4:13:28 PM

I am an elderly resident living in Bowral and moved to the Southern Highlands from Sydney some five years ago for a cleaner environment. I have breathing issues, and clean air is crucial to my health and wellbeing. I am horrified at the prospect of air quality deterioration in the beautiful Southern Highlands. There are so many other locations, well away from residential areas which would be more suitable for this type of development.
