Location: 2576 New South Wales	
Attachment: N/A	

Submission date: 10/25/2024 4:07:09 PM

*Given the area is populated by families and known in the region as being a safe, secure fresh air environment out of Sydney to raise children, this is atrocious that the government would approve this. There are plenty of remote places not occupied by residential. There is already issues with road infrastructure with the growing population, then add more trucks is crazy.*
