This proposal is a completely inappropriate use of land and an unjustifiable threat to the cohesion of the Moss Vale township and surrounding areas.

The traffic load and 4/7 operation proposed is an unacceptable disruption to the residential community.

Our roads and traffic management plan are not equipped for this commercial use. The disruption to our quality of life is unacceptable.

Moss Vale is an historic settlement. It has an established family life and tourists enjoy all the town has to offer.

It is a country town. Not an industrial estate.

Please reject this proposal!
