Submission ID: 209906

Organisation: N/A	Key issues: <i>Visual impacts, design and landscaping, Land use compatibility (surrounding land uses), Traffic</i>
Location: 2575 New South Wales	
Attachment: N/A	

Submission date: 10/28/2024 7:38:50 PM

*This facility does not belong in the southern highlands. Its impact on the surrounding environment would be detrimental. The town will not cope with the increase in traffic. Recycling is important and necessary however, Moss Vale is not the right site for such an imposing facility.*
