I object to this project. Here is why:

There is no reason that this facility needs to be so close to people's property and homes. Would [REDACTED] live so close to this?

A [REDACTED] - do I need to say more?

We already have congested traffic in the Highlands

We live in a beautiful part of the country and it will be rained by this

Put the facility near Canberra - plenty of empty land

I don't want my children to be consuming plastic
