To Whom it may concern,

I am writing to object the proposal of the plastic recycling facility in Moss Vale.

There are serious concerns about very real impacts on-

air quality " due to by micro-plastics & chemicals

waterways " as the site sits on 2 riparian zones

roads & traffic " with trucks operating 12-hour days

visual amenity " with no buffer zone to residences

future development " in the SH Innovation Park

Kind regards,

██████████
