Organisation: N/A	Key issues: <i>Social impacts, Visual impacts, design and landscaping, Land use compatibility (surrounding land uses), Traffic</i>
Location: <i>New South Wales 2576</i>	
Attachment: N/A	

Submission date: 11/13/2024 6:36:10 AM

I believe that this proposal should not go ahead as proposed. The site is just plain wrong - there are so many better places to locate such an operation. I have attended the public meetings in Bowral and so many of the presenters have eloquently and accurately argued why this is such a bad idea - I support the key points they have made - please do the right thing for society and reject what is being proposed.
