Organisation: N/A	Key issues: <i>Visual impacts, design and landscaping, Land use compatibility (surrounding land uses), Traffic, Other issues</i>
Location: <i>New South Wales 2578</i>	
Attachment: N/A	

Submission date: 11/13/2024 2:30:28 PM

*I am strongly objecting to the development due to the proposed location. I am aware that as a society we need to be environmentally sustainable and I am not objecting to the nature of the development. I am very concerned about it being so close to existing house and house developments, concerned about the potential impact to the water table which serves the Southern Highland and the industrial traffic moving through the area.*
