Location: <i>New South Wales 2575</i>	
Attachment: N/A	

Submission date: 11/9/2024 7:27:12 AM

The location is entirely unsuitable as it is close to residential areas, the risk of pollutants and contaminants to the air and waterways is unacceptable, the local infrastructure cannot support the increase in heavy vehicle traffic. For all these reasons and more, this is the wrong place to be putting a huge recycling facility - there are better options.
