Organisation: N/A	Key issues: <i>Social impacts, Visual impacts, design and landscaping, Land use compatibility (surrounding land uses), Traffic, Other issues</i>
Location: Redacted	
Attachment: N/A	

Submission date: 11/9/2024 7:59:09 AM

*This proposal is disgusting. We have young children who attend Southern Highlands Early Childhood Centre just 700 metres from the proposed site.*

*The amount of traffic it will initially cause, the microplastics it will be putting into the atmosphere and into our bodies and the detrimental impact it will have on our community is immense.*

*This can't and won't happen in our community. We won't let it.*
