*Dear Committee Members*

*I strongly object to the proposed development for Beaconsfield Rd Moss Vale. I am a resident of Bowral with many generations of my family growing up here.*

*I have so far survived Breast cancer and lung cancer. I suffer from the effects of both cancers and do not want the air I breath to make my suffering worse.*

*My children, grand children and great grandchildren also reside here in the highlands.*

*Please, this development cannot be allowed to proceed. Their, the future generations, environment is in danger of destruction if this goes ahead. There will be no clean water to drink, no clean air to breath, no environment for our existing wildlife.*

*Stop this now. The wrong site, the wrong technology.*

*Sincerely*
