Organisation: N/A	Key issues: <i>Social impacts, Land use compatibility (surrounding land uses), Traffic</i>
Location: <i>New South Wales 2578</i>	
Attachment: N/A	

Submission date: 11/14/2024 7:17:48 PM

*The number of trucks that will be adding to the already congested roads of Moss Vale will have a serious impact on the current infrastructure that has not been designed for heavy industry. I travel through Moss Vale daily and the traffic will be significantly worse. Moss Vale is not the right location for this development, this is a small country town surrounded by smaller communities that rely heavily on Moss Vale this will have a significant negative impact on the community.*
