With road upgrades stopped on Mona Vale Road and re-zoning of Land on Warringah Road.

Are new schools proposed?

Is there more childcare centres being booked?

Will this reduce our council rates or increase them.

Anymore apartments in Dee Why without proper infrastructure including stormwater upgrades. Would be disastrous impact to the local community. We do not have anymore room left. Specifically in Dee why.

Frenches Forest, Terrey Hills and Mona Vale would be better suited for more housing.
