I live in Dee Why and without intervention and support around our clogged roads (pittwater road and the dee why backstreets) and our excessive queues on our bus routes, you can not keep adding more residents and cars to this area. Infrastructure to get in and out of the northern beaches is severely lacking and there is zero investment. I am also concerned about the impact to Stony Range, this beautiful oasis for animals and birds. Finally, affordable housing is just another way to describe council housing and we have rising youth crime in the area with again, nothing being done. Adding more cheap housing ie likely to continue adding to this issue.
